Coverall is a family run business that has been protecting and covering valuable assets since 1981. We offer peace of mind, knowing that your machinery and or equipment are fully protected.

Based in Stockton on Tees, Coverall have been expertly manufacturing our own range of tarpaulins and PVC covers which we offer to business and individuals. We have wide range of high quality PVC solutions.

#### **What We Cover**

From boat to trailer covers and haulage sheets to retardant materials; our PVC and tarpaulin covers are perfect for pretty much anything. Whatever you're covering, our highly skilled team work hard to deliver a solution that exceeds all your needs.

Coverall manufacture tarpaulins, vehicle upholstery, wheel covers, wagon sheets, fire blankets, tool bags and more! We have built an excellent reputation in the automotive and haulage industry due to our extensive knowledge and skills. Collectively we have over 150 years experience in vehicle upholstery and tarpaulin manufacture giving us a leading edge in our field.

We also offer a bespoke service, we manufacture PVC covers that are made to measure to your exact requirements. Customers can choose the size, colour and material used for their cover, this is an ideal solution because each customer need a different material based on what they're trying to cover.

All PVC Covers are made of the highest grade advanced materials, so are durable and weather resistant. Besides from PVC covers we are also specialists in vehicle upholstery, with collectively over 150 years' experience our skilled upholsterers can work with any make and model. From a small cigarette burn to a full recover, whatever needs covering we use only the best quality materials. Your upholstery can be from scratch to your requirements or copied exactly from the originals, the choice is up to you.

Our customer base now contains some of the biggest names in haulage from around the North East. In addition to our local companies we also deal with customers across the UK, offering a next day delivery service.

#### **Experts In Our Field**

Our staff are here to answer all your questions and if you are looking for a one off cover solution we are the people to call.

# Universal Wheel Covers

We are always looking to improve our products and services and through months of research and experimenting we have designed a new wheel cover. This new wheel cover is universal and enables you, our customer to save money by keeping the wheel covers on stock to send out with your machine, thus saving delivery costs.

## The Only Wheel Cover You Can Keep On Stock

Another advantage is that you don't need to rely on delivery companies to get your covers on time, which at times can be very frustrating. If you require further information please don't hesitate to contact our sales team, who can also answer any other questions regarding tarpaulins, banners, curtainsiders, skip netts, box covers, wagon sheets, vehicle upholstery, fire blankets (EKD, GKP) and one off cover solutions etc.

## Coverall Nappys

Our Nappys are made from heavy duty PVC that can be washed down after use and used again. Nappys can be supplied at a standard size or can be made from your specification if required.
